### **The City of Weston Lakes Mayor's Comments.....**

The City of Weston Lakes Mayor and City Council have been busy. Some of the items that have been addressed are: At our March 24<sup>th</sup> meeting we approved The Floodplain Ordinance to ensure participation in the National Flood Insurance Program and FEMA assistance in the event of flooding in the city limits of Weston Lakes. Also, the City adopted an Emergency Management Ordinance and Joint Resolution with Fort Bend County on Emergency Management that places the City of Weston Lakes within the planning authority of Fort Bend County and allows the City to be a party and participant in the County Emergency Planning process. Along with the Emergency Management Ordinance the City Council approved a resolution that authorizes an Emergency Management Committee for the directing, planning, response and recovery to all hazard emergency responses.

I am happy to report that the Council has selected a web page designer and prior to our May meeting it should be up and running in order for the City to have a broader line of communication with its citizen. The web address is [www.cityofwestonlakes-tx.gov](http://www.cityofwestonlakes-tx.gov).

Our office at the Simonton City hall is now open to conduct The City of Weston Lakes business. The public is invited to come by at 35011 FM 1093 or call 281-533-0907 on Monday and Wednesday from 1:00 p.m. to 5p.m.

Mary Rose Zdunkewicz  
Mayor, City of Weston Lakes
